**Stanley Park Junior** 🏠

@Y6Residential24

## Medicines

Any medicine must be clearly labelled, in the **original packaging/box** and handed to your group leader on Monday morning before departure.

It is helpful if **the children** know what they need to take and when!  
Hay fever tablets etc.

## Behaviour

Although we are not in school, our school codes of behaviour still stand.

Should any child's behaviour be unacceptable, this could result in missing some or all of an activity.

If any child is behaving in such a way as to put themselves or others at risk, you may be asked to come and collect them.
