EXTRA-CURRICULAR CLUBS FOR NEXT YEAR

Information about our clubs for next year has now been sent out, so please look out for the email. There is one change to our timetable - the tennis club which is run by an outside provider will now run on a Monday instead of a Thursday. We will upload information about how to book this club as soon as we have received it.

The closing date to book clubs run by SPJS staff is **9.00am on Monday 1st July**. Due to the volume of applications, we are unable to accept any late bookings, so please make sure you complete the Google Form in good time.

ART & DT WEEK FRAME SALE

The children worked incredibly hard during Art & DT work to create a 3D frame filled with a piece of art work. Each year group focussed on a different artist and used multiple DT techniques to build their frames. Next week, we invite you into school to

visit your child(ren)'s classroom and view their frames. If you feel you are able to, you may make a donation to the school which will cover the cost of future Art and DT materials. Teachers will be collecting your donations and no amount is too small. All children will be able to take their frames home at the end of the day so please do not worry if you cannot attend or donate. We hope you enjoy seeing the efforts of your child(ren) and the frames really brighten up your home. Please enter the school through the office or playground doors at 3pm, you may take your child home when you have visited. Please note you will not be able to collect any other child/ren unless their parents have written a note in the home-school book informing us of this on the day. We will not be able to forward on any emails that come via the office after 10am on the day of the year group's display. Thank you for your understanding.
